M S ゴシック Dear Jennifer:

I do not understand all of your statements and intents in your email. If you insist that you are not a right person to talk about the Verbatim litigation, I will speak to Donna and Nick about this matter. The fact is that MCHA's Legal Department has been handling the Verbatim litigations for the long time. I do not know who in MCHA is principally responsible for directing and communicating with the Brazilian lawyers. It appears that MKM, who paid for huge legal fees up until now, do not know that, either. I am just helping MKM people, who asked for my assistance.

Dear Sakaguchi-San,
Merry Christmas to you!

I took over this case only a few months ago and it is over a decade old. If you do not like the way it was handled then please direct your comments to Donna who managed it and MKM for the last 10 years. You asked for an explanation of the fees and an expectation for the coming years. This is what I gave you. Please do not continue to condemn my legal advice in such a public manner. It is unprofessional and nasty.

Regards,
Jennifer
